Dear Sirs,

I am mainly writing to say how impressed I am with my new Hi Lite Golf Trolley. It is easy to lift, fits into the car well, and very speedy. I must also say how efficient and friendly your service is. I know that when I bought my original trolley I wrote the same and it is a tremendous feat to keep up the same sort of service over the years. I do not think there are many Companies that have the same record!!

I have had an umbrella holder in the past, but it was not stable, so I did ring to ask whether you manufactured one but was told that you were trying out prototypes. If you need a tester I would be more than willing to do this!!

Yours sincerely,

Janet B Hurst (Mrs)
